Dream big!

Empower our leaders of tomorrow to be agents of social change through college preparation, leadership training, and community service.

“My mentor was a stupendous moral support for all my efforts to get in higher level schools. I strongly believe that without her and UnidosNow, I wouldn’t have the guts to apply to Quest Bridge. After becoming a Quest Bridge finalist and being admitted to the instant decision process at the USF manatee - Sarasota, my confidence was significantly boosted up and that gave me the strength to apply to schools like UF, University of California - Berkeley, Georgia Tech, and my dream school which is Columbia University.”
